ibike for Kids: I found a gem of a photo on our website....

Have you been on our website?

This week's visitors:

1. Raychel from Deaf Aotearoa challenged us with learning some of NZ Sign Language. Her humour immediately engaged us and we learned colours, animals, greetings, counting and siblings without even realising the afternoon had flown by. Everyone is keen to keep practising their new knowledge.
2. Constable Marks paid his yearly visit for Bike Safety. After checking the bikes for road-worthiness, he made a difficult obstacle course on the tennis court to challenge bike control. To finish the practical side, there were races up and down the hill onto the field and learning to bike down steps. During lunch, the fired-up bikers watched two video clips of Danny Macaskill performing amazing stunts. *Photos over page*
No surprises...Pukeokahu School's own 'stunt' course materialised over the lunch break!
