

Week 9 Term 2

2017

Nga mihi nui Pukeokahu Families and Community
from Jan, Carol and Jenna

Please note the Term 3 dates.

River Valley Stables: I wasn't able to be with the school when they had an unique experience with the paparazzi and Kaimanawa horses, so please refer to the photos and stories on our website.

Tree Planting: The school is off to River Valley for a "better late than never" tree planting for Arbour Day. The class is interested to see the growth of the trees they planted two years ago.

Mid-year School Reports were sent home last week. Since then all children have reflected on their original goals and have re-set their learning, behaviour and personal goals. It was good to see many of them referring to their Reports for their next learning goals.

ERO/Ministry visit: Yesterday's visit was to check on our progress towards their recommendations in the 2016 Review. The meeting was positive. Another progress "chat" has been set for Term 4- before a full audit in 2018

www.pukeokahu.school.nz has new stories and photos about Zero Waste and the Hart Sports voucher spend-up. Please visit our website and read the children's blogs.

NB: Carol will be "at the helm" for the next few weeks while Dave and I 4WD our way from Darwin to Adelaide. (Thank you lovely BOT for granting me Leave.)
