

Week 7 Term 4

2017

Kapa Haka at Raetihi: Papanui Junction, Mangaweka and our school regularly practised together to perform at our first ever Festival. The pui featured the three schools' colours. *See our website for children's stories.* **Here is the link for the haka:**

School Vege Garden: Carol and the children have quite a few vegetables growing that are going to be ready over the holidays. When your family is at the school pool, feel free to help yourself! Once school is back in 2018, a donation of a few coins would help buy seeds for the winter. Thank you, in advance.

Swimming: Thank you, Sue for preparing the pool for swimming. So, children, ignore the misty mornings and bring your togs everyday.

End of year Testing: A raft of tests (some online) have revealed that all of our clever Pukeokahu Pupils are now At or Above for National Standards. A cause for celebration—just as National Standards are being phased out!
