Nga mihi nui Pukeokahu Families and Community
from Jan, Carol, Jenna and Paparangi

Welcome to Term Three.

The drivers' volunteer roster for the van is set up for the first six weeks of term. As per recent email, please add your name if you are able to help us. Thanks.

The school blogs for Mangaweka, Papanui Junction and ourselves are now all set up with written work on the site. The class has learned about etiquette for posting comments. Our weeks for gaining feedback from the other two schools for written work will be Weeks 3,6 and 9.

Please visit <https://pukeokahuschool.blogspot.com> and feel free to leave a comment. The next stage will be a reading challenge between the schools.

This week's Doco Film night at River Valley Lodge on Friday night features "Before the Flood".

If you could know the truth about the threat of climate change — would you want to know? Before the Flood, presented by National Geographic, features Leonardo DiCaprio on a journey as a United Nations Messenger of Peace, traveling to five continents and the Arctic to witness climate change first-hand. He goes on expeditions with scientists uncovering the reality of climate change and meets with political leaders fighting against inaction. He also discovers a calculated disinformation campaign orchestrated by powerful special interests working to confuse the public about the urgency of the growing climate crisis. With unprecedented access to thought leaders around the world, DiCaprio searches for hope in a rising tide of catastrophic news. Film will start at **7.30pm**. Film length is 96 minutes. All welcome.
