

Week 2 Term 4

2018

Nga mihi nui Pukeokahu Families and Community from Jan, Carol and Jenna

A BIG thank you to Paparangi who helped clean the school during the time Jenna was pregnant and while her little brother Kai has been growing like a mushroom. We are glad Papa will still be around helping out.

End of Year trophies: Could they be returned to school, please? Bond the Jeweller said they only need a soapy cloth NOT Silvo (or similar) for cleaning.

Working Bee and Community Consultation: Early bird notice. On Monday 26 November starting at 1pm, we are hoping some of you will be able to help us tick off chores from our Working Bee list. Then, please stay on to see/hear the children's presentations of 2018 highlights. After which, we will feed you and ask you to answer some questions about the future direction of our wonderful little school. You know the little school...the one with the big heart. Or, you could come about 4pm just for the presentations, food and consultation. More details forthcoming.

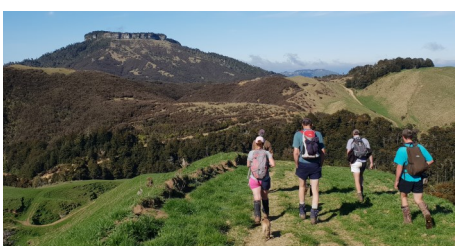

Our big change for this year is accepting Papanui's invitation to join them for Pet Day on Thursday 8 November. Papanui's roll is similar to ours and they are keen to have some competition. It will be a great day out with their unique programme. The blokes cake decorating is intense and a load of fun to watch. So, Pukeokahu blokes, there is a challenge for you. Flyer and event information is attached. (A paper copy has been sent home to School Families)

The only difference from the programme is that we, as per usual, will have our Craft day on Wednesday 7th. I will take the precious creations over to Papanui for judging later in the day.

School families are aware of the Pet Day changes and will make their own call as to whether they take their pets. Apparently the Dog Section is very popular.

Swimming lessons dates have been changed and Parents notified.

A Taster: Just to whet your appetite..... Photos taken on the pre-walk over Mt Aorangi on Saturday 17 Nov. Book now!!
