

Hall Snippets

31.01.2019

Our first meeting for 2019 was held last Thursday night, but before we move onto 2019 we would like to mention the Xmas party in Dec, which was a particularly good evening. The Playgroup people made a wonderful job of decorating the Hall and Mr and Mrs Santa were the highlight of the evening...think its the first time that Santa has brought along Mrs Claus!

Our 2018 Aorangi Walk has to be the best we've ever had....the "finale" with everyone coming across the river in rafts and then going for a swim made the Walk a very memorable Pukeokahu event. Profit from the Walk was an excellent \$7291.80.

Unfortunately, the painting of the Hall which everyone was looking forward to having done has been put off until the roof, which was only going to have colour steel put on, has been completely rebuilt...it was worse than first thought. Also means that we are going to have to continue to do do a lot more fundraising to cover the extra cost!

At our AGM held before the general meeting, Stacey was elected as our new Chairperson....although 'new' isn't quite right as Stacey held this position for several years previously...thank you Stacey for taking on this job again. Last time Stacey held this position Stacey's goal was to get the toilet/shower block built, now its the re-roofing and painting of the Hall.

At the meeting a proposed Pukeokahu District Information sheet was discussed and will be available to everyone. We are hoping that this document will assist everyone, particularly as we have a number of new people in the district.

The Telephone list is ready for its annual update, please let Heather know of any changes.

Our main fundraising event the **Horse Trek** is on 2/3 March...to be held at Pukeokahu Station and based at the Hall....the station is well known for having magnificent views. We are very fortunate to be able to offer this ride to trekkers on Pukeokahu Station....many thanks to Bryce. We are missing a couple of key personnel this year so any 'people help' would be very much appreciated, especially on the Friday when the trekkers arrive...often early afternoon. We need help here showing people where to put their horses etc. Stacey has put out the food listhorse trekkers particularly look forward to our homemade trek food and venison!

Next Meeting: Sunday 5 May @ 3.30 pm at Pukeokahu Hall

Finally, thank you Tom for 'holding the fort' over the last couple of years...you will be remembered for introducing the Sunday meetings!!...great idea which we wish to continue as the whole family can be present.

Pukeokahu Hall & District

Information Sheet

2019 Meeting Dates

- January 31- Horse Trek Planning
- May 5 - H. Trek Review
- Sept. - AGM
- October - Walk Planning
- November- Walk Review / Xmas Party planning
