

**Week 6 Term 2
2020**

Welcome:

Tyrese Chappell is our new Year 8 student from Wellington. His dad, Clayton has been working for Dan Lacy. Tyrese has already settled into our country school after being in large city classes.

Our New Principal:

In case you haven't heard: local resident and community stalwart, Stacey Buchanan, will "take over the reins" in Term 3. The BoT is confident that Stacey was the best applicant to educate our students and has the community's interest at heart.

Thank you:

- A late thank you to JB who had the puncture on the school van fixed during the Lockdown.
- Roger, for cleaning the school and s/house chimneys.

Stockpot

Now that the weather is making us think of slow-cooked casseroles and other comfort food, is someone missing their stockpot from last year's fundraiser? There is an unclaimed one here at school.

Town Visit:

Monday 8 June we are back at REAP (9.30 to 12.30) to continue learning about our local marae. Could the children wear the new school uniform? (Or, at least the sweatshirt) Bernie is meeting us to take photos for school reports.

Principal Release Teacher:

We are presently advertising for Carol's replacement. If you know of anyone in our district, please get them to email me. (Jan)
We have extended the closing date to Friday 19 June.

School House phone:

The phone number will be disconnected at the end of the term. Meantime, the horrendous static has not been fixed, so please use the school phone during the day.

Nga mihi nui from Jan, Carol, Melissa and Steven
